Steps to Create Your Club's Web-site

Keep it Simple (Single Page Website)

- **Create your Domain Name (Use a Domain Name Service)**
- **Manually Layout your Web-page Content on Paper**
- **Locate a Web-site Hosting Internet Service on Line**
- **Sign-up to a Service**
- **Select and Use One of the Hosting Sites Templates**
- **Replace the Sample Text on the Hosting Sites Template with your Webpage Content from your Manual Layout**
- **Publish Your Web-Page**
- **You now have a Club Website**

Conclusion

This is a Simplistic Approach to a Website but with a Little Experience in Working with Website Tools you will soon have a Multi-Page Website on Line.
