If you would like to set up as a vendor just email me. Bring extra Batteries! Seeded Targets will not be buried deep, surface to 2 inches deep. Deeper targets are not seeded targets!

(You are hunting on a FAIRGROUND so you will find unseeded items as well. Including can slaw, pull tabs, bottle caps, possible rings etc.) Please keep and discard any trash you dig after the hunt.

This is a **RAIN or SHINE** event so plan accordingly! Its June so it will be HOT!

We will be hiding prize tokens during each hunt. (75 total tokens). Prize tokens will be brass tokens stamped with numbers 1-75. Prizes on the prize table will be numbered 1-75. The token will be assigned to a prize with matching number.

Raffles will be available, we are going to be raffle off at least two detectors, tickets will be available all day up till 1:30pm. So buy your tickets early, during lunch and between hunts! We may also have some other items to raffle throughout the day.

REGISTRATION! Below will be the registration form that you will need to fill out completely and sign and mail into me.

Registration Deadline will be May 1st 2021. Registrations after May 1st will be accepted up to the 125 hunters allowed on this hunt. When I reach 125 hunters, I will make an announcement on the Facebook page for this hunt.

"Kentucky Dirtfishing" and **"U.S. Metal Detecting Treasure Hunts"** and will be the main pages for any announcements.

Please join any of the pages to monitor registrations and to see any updates!

Mailing in your entry fees. Please include a complete address in case your registration fee needs to be refunded due to unforeseen reasons, or we have exceeded the allowed limit of hunters. Remember 125 hunters are all that we are allowing this year.

Entry fees are what we use to purchase the items for the hunt! Coins, Silver, Tokens, and Prizes. The sooner you send in your entry fees the sooner we can get the ball rolling on gathering up what is needed. And also the sooner you get entered for the hunt the sooner you secure your spot out of the 125 allowed. This should be a great treasure hunt and we will only keep making it better each year after. 100 Percent of entry fees will be put back into this hunt.

Any other proceeds (food sales and raffle) go to the Central Kentucky Research and Recovery Team Detecting Club that is based in Richmond Ky.
